### Sports Update

5<sup>th</sup> & 6<sup>th</sup> Boys Basketball - We played our first game yesterday against Sycamore. We beat them 49 to 9. Before our basketball season started, Coach Crace stress to our boys that we must do three things--- Defense, Rebound and Fast Break. Our boys did a great job playing a hard-nosed defense with some great rebounds and our fast break was great. Gabriel Paulone, Terris Hazzard, and Tyler Crace respectfully got 20, 14, and 14 points. Tony Dall played hard defense against Sycamore's best player. Will Fetzer played an important role and got some good rebounds and assists. Overall, every player got a chance to play. Yes, it is a good win, but we still have a long season and still have a lot of work to do. Our motto this year is "TEAMWORK".

**Blood Drive** – Don't miss today's Blood Drove from 1:00 to 4:00 pm in the KRC Gym. Marion County hospitals and the Blood Center always need additional blood supplies during the holidays. Show others that you care! Give today! You must be 17 years of age, weigh at least 110 pounds, be in good health to be a donor. Donors must pass a brief mini-physical and medical history review. Be sure to follow normal eating patterns before donating. Donors need to bring picture ID or 2 other forms of identification to provide positive identification. Mary Rice is so proud to announce that we have exceeded our goal of 18 volunteers. At this reporting Mary has 25 people that have responded. She says that she knew our ISD Spirit would come shining through!! Because we did not require people to set-up a specific time, please remember that you may encounter a short delay. Mary's confident that the staff at the Central Indiana Blood Center will do everything possible to keep your wait to a minimum. Again, thanks to everyone who has already signed up and please feel free to give blood if your schedule permits.

**Timesheets** - This pay period's hours will be due downtown on Monday, November 25 in the morning. In order for Donna Saine to get her work done in time to turn in the payroll, she needs all time sheets turned in to her by Wednesday, November 20 in the afternoon. Thanks for all your help and consideration at this hectic time of the year.

**Yearbook Orders** - If you are interested in ordering the 2003 Yearbook, please see Pam Lewis to pick up the order forms in Room 117 of Alumni Hall. There will be instructions on how to do complete the forms. This needs to be done by Friday, November 22 by noon. This "special" deadline is for staff only.

**7<sup>th</sup> & 8<sup>th</sup> Grade Boys Basketball** - Our boys played an outstanding game and a hustling defense against Trader Point, but we lost by 8 points in overtime. The final score was 31 to 23. Our boys missed several good opportunities for lay ups and inside shooting!! Ryan Hawkin scored 7 points; Colin Whited scored 6 points. AJ Christian and Hippo Deluna each scored 4 points. AJ Christian was our outstanding defensive player with 7 steals! Our boys will continue to practice hard!

**HS Girls Basketball** - Indiana 41    Edinburgh 36    What another comeback! We were down at halftime by 9 points. In the second half, our defense played aggressively by forcing turnovers which led into good fastbreak for several key baskets to cut the deficit to three points by the end of the third quarter. In the fourth quarter, we played superb defensively by allowing them to score only 4 points while we made 11 points to the lead for the first time since 1<sup>st</sup> quarter. Good Job, Girls! ### *Sports Update*

7<sup>th</sup> & 8<sup>th</sup> Grade Boys Basketball - Cavalry Lutheran now has a 7/8th Boys Basketball Team and will play ISD on Tuesday, January 14th after the 5/6th game.

**News from Student Council** - Greetings from the Student Council! We want to update you about the Toy Drive. We got four stacks full of toys that we took downtown to Channel 6 News. We met Kevin Gregory, the channel 6 weatherman, who is in charge of the Toy Drive Project. He was pleased with our addition to 100 other schools' contributions. It was a wonderful community effort! Ellen O'Hara, Drew Robarge, Jon Mowl, and Jonathan Reynolds were our representatives. The Toy Drive presentation will be on television after Thanksgiving along with other schools' messages. Thank you for your contribution! We want to say thank you to all who generously gave toys to the effort. We are proud of our wonderful Indiana School for the Deaf community.

**OPEN ENROLLMENT** – Many of you have LOTS of questions about the OPEN ENROLLMENT this year. In order to help staff understand more about the different companies and what each of them will offer, we have set up a question and answer time with 3 of the companies. Anthem, Advantage and MPlan will all be at ISD on Tuesday, November 26, 2002 from 1:00-5:00 pm. They will be in the Library, in Alumni Hall. They will have tables set up and will be able to review their plans, doctors, hospitals etc. with employees. You can come down at your convenience, during a break, before or after your shift. I have also attached a copy of a press release from the Governor, that I hope will help answer some of your questions. Please feel free to contact Missy Bezold if you have other questions.

### ***O'Bannon says state will help state employees pay for increases in health coverage***

Governor Frank O'Bannon said today that state employees will receive a \$1,092 annual cost-of-health-care adjustment to their salaries to help them pay for increases in health-insurance premiums. "Health care insurance continues to be an explosive cost to all employers and has been a very real challenge to the state of Indiana as an employer," O'Bannon said.

Because health-insurance costs were expected to skyrocket, the administration worked out an agreement under which:

- The state, which in the past has paid 93.5 percent of the cost of *any* insurance plan, now will pay 93.5 percent of the cost of the *traditional* insurance plan offered to employees – \$136.27 biweekly for singles and \$381.61 biweekly for families – offered by the state and administered by Anthem.
  - New rates are effective Jan. 1 for those on A payroll schedule and Jan. 8 for those on B payroll schedule.

- The employee will be expected to pay the difference between the state's payment and the cost of the plan he or she chooses.
- To help offset the increase, each employee will receive \$1,092 a year – \$42 a pay period.
  - The adjustment is effective Dec. 8 and payable Dec. 31 for employees on A payroll schedule and Dec. 15 and payable Jan. 8 for those on B payroll schedule.
- Employees may change their insurance plans when open enrollment begins next Monday.
- There will be no deductible for employees on the traditional plan who make less than \$25,000 a year. There is, however, a \$25 deductible for pharmacy costs for all employees.
  - The deductible for those who earn between \$25,000 and \$35,000 will be \$125 for singles and \$400 for families; for those who earn more than \$35,000, the deductible will be \$500 for singles and \$1,000 for families.

“The explosion of health-insurance costs and the national recession have made it very difficult to do much for our employees, but we worked hard to make this as painless as possible,” the governor said. The two unions that represent state employees – American Federation of State, County and Municipal Employees and The Unity Team Local 9212/United Auto Workers/American Federation of Teachers – have agreed to the plan after negotiations with the State Personnel Department.

**7th & 8<sup>th</sup> Grade Boys Basketball** - Our boys played hard against Heritage Christian, but we lost by 7 points. The final score was 36 to 29. Our boys improved with every game! It was only our third game. Colin Whited scored 19 points and Ryan Hawkins scored 6 points. Keep it up, men!

**5th & 6th Grade Basketball** – Yesterday, we played against Heritage Christian. We played a hard-nose defense and stayed aggressive with them. The game was real close and both teams played aggressively. With 13 seconds left on the clock, we were down by 3 points so we called time out and made a play. Tyler made the 3-point shot and tied the game with 7 seconds left. But, Heritage Christian answered right away, and we lost 36 to 34. It was a great game! Gabriel Paulone, Tyler Crace, and Terris Hazzard scored 12, 9, and 8 points respectively. Tony Dall scored 4 points. Will Fetzer played a tough defense. Coach Crace told the boys that they must learn to HUSTLE AT ALL TIMES. They are starting to realize what it takes really work HARD. Great job, MEN! Our record is 1 and 2.

**5th & 6th Grade Basketball** – On November 21, we played against Trader Points. We lost 48 to 32. The Trader Point Team has some really tall players who are very aggressive. We were out hustled, outplayed and out rebounded by them. We tried to stay aggressive with them, but by end of the third quarter we were down by 21 points. Coach Crace told the boys to use a full-court, man-to-man defense, and we came back to within 6 points. But, we just ran out of gas. Coach Crace told the boys that they must be mentally prepared for any opponent.

**Change in Schedule (HS Swimming)** – The HS Swim Team's meet with Scecina has been changed to Monday, December 2 at 4:15 pm from December 3.

"Health care insurance continues to be an explosive cost to all employers and has been a very real challenge to the state of Indiana as an employer," O'Bannon said.

Because health-insurance costs were expected to skyrocket, the administration worked out an agreement under which:

- The state, which in the past has paid 93.5 percent of the cost of *any* insurance plan, now will pay 93.5 percent of the cost of the *traditional* insurance plan offered to employees – \$136.27 biweekly for singles and \$381.61 biweekly for families – offered by the state and administered by Anthem.
  - New rates are effective Jan. 1 for those on A payroll schedule and Jan. 8 for those on B payroll schedule.
- The employee will be expected to pay the difference between the state's payment and the cost of the plan he or she chooses.
- To help offset the increase, each employee will receive \$1,092 a year – \$42 a pay period.
  - The adjustment is effective Dec. 8 and payable Dec. 31 for employees on A payroll schedule and Dec. 15 and payable Jan. 8 for those on B payroll schedule.
- Employees may change their insurance plans when open enrollment begins next Monday.
- There will be no deductible for employees on the traditional plan who make less than \$25,000 a year. There is, however, a \$25 deductible for pharmacy costs for all employees.
  - The deductible for those who earn between \$25,000 and \$35,000 will be \$125 for singles and \$400 for families; for those who earn more than \$35,000, the deductible will be \$500 for singles and \$1,000 for families.

“The explosion of health-insurance costs and the national recession have made it very difficult to do much for our employees, but we worked hard to make this as painless as possible,” the governor said. The two unions that represent state employees – American Federation of State, County and Municipal Employees and The Unity Team Local 9212/United Auto Workers/American Federation of Teachers – have agreed to the plan after negotiations with the State Personnel Department.

## Giving Thanks

(Author Unknown)

For the hay and the corn and the wheat that is reaped,  
For the labor well done, and the barns that are heaped,  
For the sun and the dew and the sweet honeycomb,  
For the rose and the song and the harvest brought home --  
Thanksgiving! Thanksgiving!

For the trade and the skill and the wealth in our land,  
For the cunning and strength of the workingman's hand,  
For the good that our artists and poets have taught,  
For the friendship that hope and affection have brought --  
Thanksgiving! Thanksgiving!

For the homes that with purest affection are blest,  
For the season of plenty and well-deserved rest,  
For our country extending from sea unto sea;  
The land that is known as the "Land of the Free" --  
Thanksgiving! Thanksgiving!

## **Announcements**

### **Sports Update**

**HS Girls Basketball** - Lutheran 56 Indiana 39 The determined Lady Saints made sure that they would not be another victim of our big comeback as from previous two games. We did make a furious comeback in the fourth quarter from 22 points deficit to 10 points down but did not have enough gas left in our girls to cut or overtake their lead. The Player of the Game was Pia Marie Paulone with 17 points, 7 rebounds and 4 blocked shots. The next game is with Bethesda Christian (12/3/2002). Our current record is 2 – 1.

**7<sup>th</sup> & 8<sup>th</sup> grade Boys Basketball** - St Richard defeated ISD. The final score was 46 to 13. St Richard's team has some really big-sized players. Our boys tried their best to play against them. In the first quarter, we were down by 5 points. It was 10 to 5. Our boys played well in the first quarter but lost their momentum!!

**5<sup>th</sup> & 6<sup>th</sup> Grade Boys Basketball** - We played against St. Richard's. It was another battle. We started off well in the first quarter 13 to 9, but they came back to lead at halftime 23 to 14. At halftime Coach Crace told the boys that they must stay aggressive and hustle all of the time. We still struggled in the third quarter being down by 18 points. At the end the game we made a nice rally but came in short losing 39 to 35. Our players realized that they must play aggressive the entire game. Our record is now 1 and 3.
